Dear Brothers and Sisters in Christ,

I hope everyone had a great Christmas Season- a season that helps unites God and man, family and the person, contemplation and festivity, light and nighttime.

Now, we celebrate the day Jesus was baptized, which began His earthly ministry of regenerating humanity. Today's celebration unites humility and spiritual power, our hidden prayer lives with our personal mission, the Heavenly Father's infinite love for Jesus us through our baptism into Him.

We are called this week not just to remember our baptisms or that we were baptized in the past, but to stir it up into a flame through prayer and we are called to stir it up in other people and to help the unbaptized desire it more than anything in the world. May the whole world be baptized!

Continuing the Mission of Jesus,  
Fr. Drew
